

Membership in *NHANRS* includes notification of all of our upcoming events, an electronic newsletter with technical articles, and networking with the leading natural scientists in the state.

NHANRS holds quarterly meetings and an annual conference each year with workshops in each of our disciplines.

The *NHANRS* workshops provide updates on regulation changes, refreshers on the finer details of our sciences, and hands-on learning experiences. Each workshop offers continuing education hours to maintain professional licenses and certifications through the NH Joint Board of Licensure and Certification.

The legislative committee of *NHANRS* actively works to review legislation that may have an impact on the professions of Natural scientists.

NHANRS mission is to promote the responsible use of natural resources and the natural resource science professions in New Hampshire, as well as to represent the diverse private, public, and educational interests of our membership.

We offer memberships in the

disciplines of:

Wetland Science

Soil Science

Wildlife

Forestry

With the membership levels:

Active

Affiliate

Student

Public Sector

Conservation Commission Group

Lifetime

*New Hampshire Association
of Natural Resource Scientists*

Active Members — \$125.00 Annual Dues

1. Active Members shall satisfy the requirements set forth in A or B below:

- A. Active Members shall be certified by the NH Joint Board and should include a copy of their certification when applying.
 - B. Active Members shall be natural resource science professionals having a Baccalaureate degree, with a minimum of 20 semester hours in soil science, wetland science, and/or other natural resource sciences, and must have been engaged in the practice of such profession for at least three years; provided, however, that persons having an Associate's degree and six (6) years of practice in one of the natural resource science fields may be accepted as Active Members. Persons holding advanced degree(s) in relevant natural resource sciences may substitute a master's degree for one year of practice and a doctorate degree for two years of practice. The advanced degree must be in the discipline to which membership is being applied. In no case shall less than one year of actual practice be required. Additionally, applicants must be sponsored for membership by two active members in each discipline applied for. Please enclose a transcript, resume and sponsor forms when applying.
2. Have voting privileges.
3. May serve on the Board of Directors or Chair standing committees.

Public Sector Members — \$30.00 Annual Dues

1. Any person with an interest in the natural resource sciences that is currently an employee or volunteer of a government agency.
2. May choose to be a member under the Affiliate Membership or Active Membership if all the requirements outlined above for Active Membership are met.
3. Active Members have voting privileges and may serve on the Board of Directors or Chair standing committees.

Affiliate Members — \$70.00 Annual Dues

1. Any person with an interest in the natural resource sciences.
2. Do not have regular association voting privileges.
3. May be appointed to committees and do have voting rights on that committee.
4. Do not have to be sponsored but must be approved by the Board of Directors.
5. Affiliate Membership is not open to certified professionals.

Student Members — \$20.00 Annual Dues

1. Must be enrolled full-time in an associate, undergraduate or graduate-level natural resource science curriculum. Please enclose transcripts.
2. May serve on committees and do have voting privileges on committees.
3. Cannot serve as committee chairs or as Directors and do not have voting privileges at regular association meetings.

Conservation Commission Group Membership — \$20.00 Annual Dues

1. Any Conservation Commission established by Town Vote and operating under the requirements of N.H. RSA 36-A may become an Association member as a group.
2. C.C. Members may serve on committees and do have voting privileges on committees.
3. Cannot serve as committee chairs or as Directors and do not have voting privileges at regular association meetings.

Lifetime Members — \$1,500.00 Single Payment

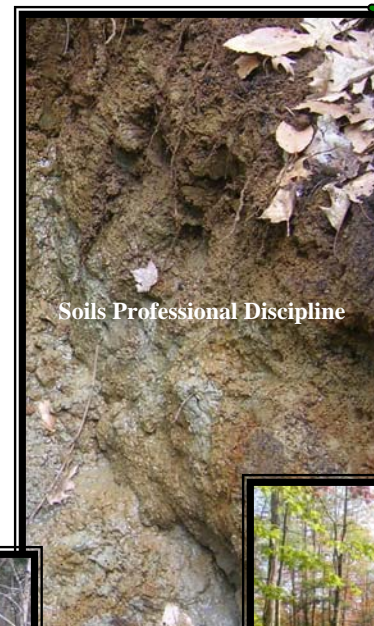

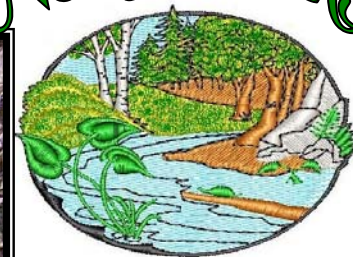

Have the same requirements and privileges as Active Members.
