Dear NHANRS,

On behalf of the University of New Hampshire's Cooperative Extension, I am writing to thank you for your generous gift of \$100 in support of the Saving Special Places Conservation Conference.

Your support is appreciated, particularly during these challenging economic times, and provides the essential resources for meeting some of the most critical needs of Cooperative Extension. Your gift is an investment in the mission of Cooperative Extension – to provide New Hampshire citizens with research-based education and information, enhancing their ability to make informed decisions that strengthen youth, families, and communities, sustain natural resources, and improve the economy.

Thank you, again, for your commitment to advancing the mission and programming of the University of New Hampshire Cooperative Extension.

Best regards,

John E. Pike
Dean and Director
